

Attention Competitors:

You can now get your clutch and/or turbo inspected for the upcoming 2010 season while your vehicle is torn down. Contact one of the inspectors below and get it done ASAP.

Only the officials listed below are certified to inspect NTPA turbos and clutches.

Please check the list for one near you to set up an appointment for your inspection!

Roger Kutz - Whitewater, WI - (262)473-2531

Luke Van Handel - Little Chute, WI - (920)788-3601

(**Note: To help out with your clutch inspection obligation efforts, Luke is tentatively planning on being at the following places:

- **Marshfield, WI on February 7th**
- **NFMS & Tractor Pull in Louisville, KY February 11th-13th**
- **Shawano, WI on March 7th**
- **New Holstein, WI on March 14th**
- **Ripon, WI on March 21st**
- **New London, WI on April 11th**

Please get in contact with him prior to day of the specific date(s) given above if you would like to set up an appointment to meet him while he is in these towns/cities for inspections. All other dates outside of these confirmed dates can be made by calling him also for a private appointment.)
